Email: _____

Past Safety Day Code(s): _____

How did you hear about us? (check all that apply)

- Website Social Media (Facebook, Twitter, etc.) Publication or Magazine
- Conference / Convention / Farm Show Safety Day Other: _____

2. Safety Day(s) You Would Like to Conduct in 2021

Important Information:

- The Progressive Agriculture Foundation does not provide monetary grants. This program is designed to train the above named contact to conduct a Safety Day in their community. Please be sure you have read the questions and answers under the “About Us” tab on our website (www.progressiveag.org) before proceeding with this application.
- We typically fund one Safety Day per community/planning group. If funds are available, we support additional Safety Days.
- Selection is based on the number of participants and volunteers indicated on this form.
- The Safety Day location, type of Safety Day, and age of participants: **CAN BE CHANGED** after you attend training and meet with your planning committee. What you list here is tentative.
- The number of participants and volunteers: Can be decreased, but **CAN NOT BE INCREASED** after Safety Days are selected. If your Safety Day is selected and you choose to have more participants or volunteers than you are approved for, there is a charge of \$7 per additional person. This fee covers the costs of: a T-shirt, take-home bag, insurance, administrative costs, etc.
- The number of Safety Day volunteers should not be more than half the number of participants.
- Community Safety Days are open to anyone who would like to attend, as long as the participant fits your age requirements. School Safety Days are considered part of the school day. You may go to a school or invite one or more schools to come to your location.

After reading the instructions on the previous page, please tell us about the Safety Day(s) **you would like considered for support**. Please list them in the order you would like them approved.

	Location	Code* (if a <u>returning</u> Safety Day)	Type of Safety Day (community, school, etc.)	Ages or Grades of Participants	Maximum Number of Participants	Maximum Number of Volunteers
1.						
2.						
3.						

*** If applying for more than one Safety Day, please do not enter the same code on each line if one is a returning Safety Day.**

3. Tell us How You Will Involve Others from Your Community?

Who in your community will you ask to assist with your program? (Include businesses, organizations and key individuals that you plan to collaborate with.)

4. Tell us Your Past Experience with Safety Days/Farm Safety Day Camps.

If you have coordinated a Safety Day(s)/Farm Safety Day Camp(s) in the past, please provide the following information.

Month/ Year	Location	Was it a Progressive Agriculture Safety Day?	If so, who was the coordinator?	Type of Safety Day (Community, school, etc.)	Number of Participants	Ages of Participants	Number of Volunteers

5. Tell Us About You and Your Community

Instructions: On a separate page or pages, please provide the following:

- a. Briefly tell us why your community would benefit from a Progressive Agriculture Safety Day®.
- b. Please tell us about yourself (or group) and your qualifications to conduct a Progressive Agriculture Safety Day®.

6. Suggested References

On a separate page, please include the names, addresses, and phone numbers of three references who can explain why you (or your group) would be a good choice to conduct a 2021 Progressive Agriculture Safety Day®.

7. Referrals

As a 501(c)3 charitable foundation, the Progressive Agriculture Foundation is able to continuously reach thousands of children each year living on farms, ranches and rural communities thanks to the generosity of corporate sponsors and organizations. With a value of \$13 per each Progressive Agriculture Safety Day® participant, more than \$1.3 million is needed in financial support annually. As a small foundation, referrals are essential and a terrific way for our coordinators to help garner program support from businesses and organizations we may not be aware of, but care about fostering safe and healthy rural communities for children and their families. On a separate page, please provide the business name, contact person, address, and phone number (if applicable) of any businesses you feel would be a good potential sponsor for the Progressive Agriculture Safety Day® program.

8. Agreement Signature

I understand that this application will be reviewed by a selection committee. If approved and we accept support of the Progressive Agriculture Safety Day® program, I agree that the person who coordinates the Safety Day will attend a training session, and that we will comply with all requirements of the program.
