Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of December 31, 2016 and 2015, the Foundation has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.
